We have two projects for this year. The first is to make "grocery" bags for the Siberian Nationals Rescue Parade. The second to make booties for ourselves.

For the past 4 years Marie and I have made items for and helped with the National Rescue Parade. At the Siberian Nationals they recognize the Siberians that have been rescued and their owners. They are given a bag of goodies and a beautiful ribbon. This year we would like to make "grocery" bags to hold the goodies. A special material with a paw/hand on it was donated. They are easy to make. We need between 20 and 30. It will be similar to the bag here.

In the past 8 years BASH has made 1000 + dog booties for use by

Iditarod Musher for a group called the Bootie Brigade. It appears that that group is defunct but a group of us were talking that we still need to make booties for our own dogs. We have a blast with 5-9 sewing machines going at one time. If you don't sew there are still jobs to do- turning and quality checking of our sewing, trimming threads. If you want to learn to use a sewing machine, we will be happy to teach you. This is for women, men and the kids.

If

We plan on making bags at the first meeting, finishing any that need to be done at the second along with making booties for our dogs.

what to bring- you and if you own one a sewing machine (surger or regular ones) and time to have fun.

Umunhum Run and Camping

August 21, 22

Oct 2 * new date	Umunhum Run
Oct 23	Umunhum Run
Nov 20	Umunhum Run

We have a MULE now for carting and bathroom runs. This will be the first camping trip of the summer. We have to pull out all the stuff we put away for the winter (BBQ, tables, etc)

We meet around 4 pm on Saturday night and if the weather allows, we run the dogs between 7 and 9 pm. If it is warm we eat dinner first and then run them. They run from 1 mile to 7 miles, again it is based on the weather... Dinner is a

group effort.

Some people then camp in tents but most campout in their cars or beside them.

In the morning we rise with the sun and run the dogs again. We try different dogs in different positions and come back to a GREAT group breakfast and off the hill by 11 am.... You still have time to do things before the end of the weekend.

Most people go up for the whole event. SOMETIMES (not all the time) we have a couple that only come up for the evening part. This can only happen if we have at least two cars going down at the same time.

Time to meet- 5 pm at the lowest gate (there are three locked gates so we have to stay together)

RSVP Randee at (408) 371-1841 or bash@com-ctl.com by the WEDNESDAY before the weekend to find out what to bring and for how many.

What you need to bring- your own drinks, sleeping bag, food for your dog and food for the group.

Beth Chamberlain, 408-859-3101 b.d.c@comcast.net Maya is a sweet dog that has been raised with three cats and three small children. She was rescued from the Shelter after her owner was required to surrender her because she got when a gate wasn't latched and killed a duck. So she is good with cats and kids but can not be placed in a home with a duck. She is housetrained and overall a wonderful dog.

MEET ROMEO, an older (6 to 7 "ish") tri-colored Siberian Husky. We think he is a siberian/samoyed. Romeo is active, alert, and very curious. In addition to his beautiful long coat, he is bi-eyed, one blue and one brown eye. Romeo is extremely sweet, affectionate, loving, and gets along well with other dogs. Although well mannered, he will need some training. He is up-to-date on his vaccinations, is micro-chipped, and neutered. He rides fantastic in the car. He would be a great companion to a person and or another dog. We did take him to the vet for a checkup and all is great with him.

Patty LaCava 415-722-5727 pattylacava@yahoo.com

Macio Simpson (831) 214-9644 mrevoli@yahoo.com He is probably a shepherd/siberian cross. He is between 60 and 65#'s. He rides well in the car. Is very friendly. Plays well with other dogs. He walks ok on a leash but can pull. He knows sit, down and a quick drop (not sure of the command but he slams to a down). Call his foster dad for more information.

Randee McQueen (408)371-1841 BASHRR@aol.com Caz is one of 7 pups- He is the smallest of the group and the quietest. He will sit back and survey what is happening rather than get into the frenzy of meeting new people. When things calm her will come up and want to cuddle. He plays with my siberians. He looks more cattle dog than siberian. oby is one of 7 pups- He is has energy and loves to play. His coat is more like a lab than a siberian.. He will come right up to sit in your lap and when he gets tired he likes to lay with his head touching you. He plays with my siberians. He looks more cattle dog than siberian. **Maureen Marcus 510-895-9104, spiritofashadow@aol.com**
