# Umunhum Run and Camping

September 2,3 (we changed the date) and it is Sunday/Monday

We have a MULE for carting and bathroom runs. This will be the last camping trip of the summer. We will try to plan a couple more for the fall, you will have to watch for the dates. We meet around 5 pm on Sunday night and if the weather allows, we run the dogs between 7 and 9 pm. If it is warm we eat dinner first and

then run them. They run from 1 mile to 7 miles, again it is based on the weather... Dinner is a group effort.

Some people then camp in tents but most campout in their cars or beside them.

In the morning we rise with the sun and run the dogs again. We try different dogs in different positions and come back to a GREAT group breakfast and off the hill by 11 am.... You still have time to do things before the end of the weekend.

Most people go up for the whole event. SOMETIMES (not all the time) we have a couple that only come up for the evening part. This can only happen if we have at least two cars going down at the same time and one must have a key.

**Time to meet- 5 pm at the the CVS parking lot at Camden and Kooser (near the Taco Bell) or at 5:20 at the brown gate.**

**RSVP Randee at (408) 371-1841 or [bash@com-ctl.com](mailto:bash@com-ctl.com) by the WEDNESDAY before the weekend to find out what to bring and for how many.**

**What you need to bring- your own drinks, sleeping bag, food for your dog and food for dinner and or breakfast**

Azul is a happy boy despite his unfortunate situation. He likes other dogs and plays great with other siberians. He was raised with small children, so he is use to being around them., He is not good with small dogs and other small animals. He is a quick learner, but is a challenging escape artist, so should only go to an experienced Husky home. We think he would do better in a home with at least one other dog in the family, and tall fences.

Gus is a 1year white male with stunning blue eyes. He is very energetic, loves to plays with all kinds toys, loves to go for car rides, gives many kisses. He gets along with all my dogs, but not sure about cats and no small dogs. He does pull on lead so training is needed. He knows his basic commands like sit, lay, and gives paw ,He is crated trained. Gus also loves kids. So if Gus sounds like the husky for u give me a call to meet him

Nanook is a neutered, black and white 12 month old male. He has one blue, and parti-colored eye. He is very high energy and anxious to please and be with his "people.". He is crate trained, house trained, plays ball and has learned to sit and stay with his foster family. He will need more leash training. He has not shown himself to be an escape artist; does not climb or jump the fence or dig. He does not get along with very many other males due to his over eager doggie manners. He does get along with female dogs, children and is a very people oriented dog. We recommend continued socialization and loving patience with this big baby. He is available immediately and is currently located in Newark. Please contact his foster family at 650-714-1922. No families with cats please.
