SnoBASH is a go. It may be a little warm to run in the late afternoon but we should have a fun time.

There is a group of us that set up on Friday. We will do the rides on Saturday and we are planning on leaving early on Sunday so we can get back to watch the 49ers.

Private Wine and Cheese Tasting  
for BASH members and friends

Blackridge Vineyards, 18550 Black Road, Los Gatos, CA 95033  
February 10, Sunday, 3:00 PM to 4:00 or 4:30

[www.blackridgevineyards.com](http://www.blackridgevineyards.com)

Take a break and spend some time relaxing with us and enjoy four current wine releases, paired with samples of four great cheeses.

A knowledgeable member of the Blackridge team will pour and answer questions, and you'll have a chance to learn about the area, the property, winemaking, and enjoy a scenic location.

We'll be there for about one to one and a half hours. We'll be asking for a token contribution of five or ten dollars each, to cover a gratuity and fees for guests in excess of 10, and/or a possible wine purchase for a BASH raffle.

Send Greta an e-mail at [dkoehns@att.net](mailto:dkoehns@att.net) to advise if you plan to come so that we will have a count for the winery. If you have an idea for an 'afterparty,' say, a light supper at Five Guys or know of a good soup and salad bar in the area, mention that as well!

Directions from San Jose/Los Gatos: Take the Bear Creek/Black Road exit off Highway 17. Go straight through the stop sign and continue on Montevina Road until you hit Black Road after a few hundred feet on your left, 1/2 mile up Black Road on the left hand side (the second stone entrance with two gates). The main entrance is the gate on the left.

Be sure to let us know as soon as you can!!

## Carting Seminars

The Newfoundland Club of Northern California - (NCNC) is happy to announce that they will put on a carting seminar on 09 February 2013 in Antioch and one in the San Jose area on 3/16/13 or 3/17/13 at a location to be announced.

Directions to the seminar site will be provided with registration confirmation.

The faculty will consist of the usual group of NCNC draft and carting experts.

At this time the tentative list of subjects will include;

**Beginning Carting** - This class is for the beginner and covers, carts, harnesses and how to get your dog involved. Beginners are asked to bring an extra leash.

**Intermediate Carting** - This class is for graduates from the beginning class. It'll cover sharp turns, negotiating narrows, and teaching your dog to backup.

**Draft Test Preparation** - This class helps people train for a Newfy draft test but would probably be helpful for people going to other breed's draft test.

Other subjects will be added depending upon the information received with your applications.

A delicious hot lunch is provided only for pre-registered participants.

# Rescue February 2013

Serving the Bay Area & Northern California

Randy Fishel [randyf@sibernet.com](mailto:randyf@sibernet.com)

Meet Sarah! She is a sweet girl looking for a lifetime of love. She was adopted from us 4 years ago and has just been returned to us because her owner became ill to care for her. At first she can be a little shy, but warms up rather quickly with tender love and care. She really enjoys giving kisses, and will shower your face with kisses if you let her. She tends to be very low key and likes to hang out nearby. She would do best as a companion dog to another friendly dog, preferably a male (she may conflict with an alpha female). She is not super playful and would not do well with a rambunctious playful companion, but will do best with an active male dog. She knows sit and down and walks well on a leash. She enjoys being brushed! If you are looking for a sweet, affectionate girl, then please come and meet her

Hope is a 1-year-old petite young female husky. She loves playing with other dogs and is very loving. She does have high prey drive so no cats, small dogs, or birds. You need to be husky savvy. Hope is still working on her house trainings, she is crate trained and good with children. She knows her basic commands and does pull on her lead. Hope is a special girl that is looking for a special family. If you would like more information on Hope please either give me a call at 831-261-5889 or email at [brndy1233@gmail.com](mailto:brndy1233@gmail.com)

Snickers was born 9/9/12. He is 4.5 months old. He is probably a Siberian, Shepherd, Malamute mix. He is a sweet boy who loves to play. My best guess is he will get to be between 65 and 80 #s. He is very gentle when eating food. He does like to be the center of attention. He was in one home with small children and they decided he was a little much for them. We are looking for an experienced dog home. If there are kids, we prefer that they be at least 10. Overall he is a great dog, loves to snuggle, sits, downs etc.

He is being fostered for Norsled Rescue. His adoption fee is \$500 which included being altered, all shots, worming, microchip. The price is set by adoptability...not our cost. The extra funds we get on a puppy that everyone wants pays against a major medical for another dog that we have rescued.
