The 2nd Northern Breed Fun Match

It was a great day with great weather. We had 36 dogs that entered various fun events. They started with the Husky Charm and Husky Disobedience (there were about 18 in total) then we moved to the judging. Dona Miller came out from Montana for the regular and Non Regular classes. She also did the Sled dog class. Sue Adams (A BASH founding member) was going to do the Sled class but then we asked if she would mind doing the overall BEST in Show which she was fantastic to agree to. It was noted when the best of each went in the ring Dona had ended up putting 3 reds up (and she doesn't really like reds...) but that shows that the judges look at the dogs not the color (Yeah). Sue also selected one of the reds as best in Show. Rosie, who is owned by Celine and Bryan Tews. Lunch was served a good part of the morning and into the afternoon by Norsled. It was FANTASTIC... it was so good they had to send out for more bread. At lunch time Barb set up the Urban Go Dog and people

were able to talk with her about mushing and carting in urban areas. She let people take their dogs for a ride for a couple of hours. At 1 pm Marilyn Lassagne did a fantastic job with Junior and Adult Handling. She was great giving pointers to the two girls that participated as Juniors.

As soon as that was over with Rally was set up. To me Rally is a cross between obedience and agility. The dogs that were able to participate had a GREAT time. Throughout the day we had the HUSKY raffle that everyone enjoyed and the Silent Auction. 3 items from each rescue that all monies went back to that rescue for their items.

Thanks to all that helped, participated and just came and had a good time.

Remember to send pictures for a calendar for 2011

Last year the calendar was a great success. We sold over 50 of them so we are going to do one again this year. Send you favorite photographs of you and your dogs just having fun at home or vacation (etc). Send me your pictures (jpg files or I can scan and return them) Pictures can be mailed to the BASH address.

Pupsicles - Dog ice cream recipe

Source: www.dog-pound.net

2 cups low salt beef or chicken broth

2/3 cup water

2 or 3 ice cube trays

Small rawhide sticks

Mix water with beef or chicken broth and pour into ice cube trays. Place in freezer and serve cold. Add a [rawhide stick](#) halfway through the freezing. This recipe is quick, easy, and fun. It's probably best to serve this dish outside.

Doggie Ice Cream recipe

Source: www.bone-a-fido.com

2 cups [vanilla yogurt](#) (or plain low-fat)

Mashed bananas

2 tablespoons honey

Mix ingredients and freeze in ice cube tray. Voila...sweet, cool bite-size treats for your pooch!

Frosty Paws Ice Cream and Birthday Cake

Source: www.collargirl.com

32 oz. plain yogurt

1 mashed banana

2 T p'nut butter

2 T honey

It's true dairy products aren't good for dogs, but yogurt contains much less lactase than regular [milk](#) and the live cultures are great for your dog's digestive system. This dog ice cream recipe is delicious and good for your pet!

1. Mix all these ingredients in your blender, then dump into ice cube trays, paper cups, or even a kong toy to freeze and serve.
2. If you want to go all out for your mutt you can freeze these homemade frosty paws just like you would homemade ice cream. A salt-less automatic ice cream maker makes this as easy as using any other appliance in your home and the frosty paws will be ready to serve in 10 minutes.

For the ultimate treat, appropriate for desert at a doggy birthday party, follow steps one and two, then take the mostly frozen dog ice cream product of number two and spread it 1" to 1½" thick on wax paper. Freeze for five minutes and then remove dog ice cream from freezer. Next, use a paw shaped cookie cutter to cut a paw shaped "frosty paws", remove ice cream around edges, and return paw shapes to the freezer to freeze solid.

NOTE: This can also be made with baby meat instead of the fruit and peanut butter.

Doggie Dessert recipe

Source: www.recipegoldmine.com

4 cups rice milk

1 tablespoon vanilla extract

1 tablespoon honey or peanut butter

Set paper [cupcake](#) liners into a muffin tin. In a large bowl, stir together all ingredients. Use a cup with a spout to pour the mixture into the muffin cups. Freeze.

To serve, remove paper liner and place treat in dog or cat bowl.

For a double treat, place a miniature dog [biscuit](#) in the filled muffin tin before freezing.

Your dog is individually trained to respond with aversion to the scent, sound and sight of rattlesnakes to avoid being bitten by one. Training is conducted in a controlled environment ensuring the safety of your dog as well as the safety of the muzzled rattlesnakes used in the training.

Tentative Schedule for the Summer

Aug 21 Umunhum Run

Sept 25 Umunhum Run

Oct 23 Umunhum Run

Nov 20 Umunhum Run

This is TENTATIVE...can change from weather, Fire or schedules that cause us to change the date.

We have a MULE now for carting and bathroom runs. This will be the first camping trip of the summer. We have to pull out all the stuff we put away for the winter (BBQ, tables, etc)

We meet around 4 pm on Saturday night and if the weather allows, we run the dogs between 7 and 9 pm. If it is warm we eat dinner first and then run them. They run from 1 mile to 7 miles, again it is based on the weather... Dinner is a

group effort.

Some people then camp in tents but most campout in their cars or beside them.

In the morning we rise with the sun and run the dogs again. We try different dogs in different positions and come back to a GREAT group breakfast and off the hill by 11 am.... You still have time to do things before the end of the weekend.

Most people go up for the whole event. SOMETIMES (not all the time) we have a couple that only come up for the evening part. This can only happen if we have at least two cars going down at the same time.

Time to meet- 5 pm at the lowest gate (there are three locked gates so we have to stay together)

RSVP Randee at (408) 371-1841 or bash@com-ctl.com by the WEDNESDAY before the weekend to find out what to bring and for how many.

What you need to bring- your own drinks, sleeping bag, food for your dog and food for the group.

Call for directions. It takes approximately 30 minutes from Highway 85/Almaden Expressway to the first gate. People can also make arrangements to meet at Randee's office and follow her up.

It is great fun and very relaxing. The views of Santa Cruz, Monterey Bay and Santa Clara County are wonderful both as the sun rises and the sun sets. Come and join us.

Kirk is just coming from the San Jose Shelter. He is very friendly but has no obedience skills. He is learning to walk on a leash. He appears to be only a year old. he is all PUPPY. He is house trained and knows how to use a crate. He rides well in a car. He does not bolt to get out either. I am not sure i would recommend near small children mostly because he is fast and acts like a puppy. He appears to do find on his own. He would do best as an only dog. He is very friendly with people and when we saw him with small children he was very gentle. He also needs an experienced husky owner .

We just got Bolo from the San Jose Shelter. He is probably a shepherd/siberian cross. He is between 60 and 65#'s. He rides well in the car. Is very friendly. Plays well with other dogs. He walks ok on a leash but can pull. He knows sit, down and a quick drop (not sure of the command but he slams to a down). Call his foster dad for more information.

Randee McQueen (408)371-1841 BASHRR@aol.com

Crystal is a sweet shy girl that looks like a lab even though her daddy was an alaskan malamute. She was surrendered to us because they felt she was not good with their Chiuauau. She never hurt it. She is housetrained, cratetrained, has basic obedience skills.
