# The Northern Breed Fun Match

It was VERY hot and windy, but a lot of fun. We had 38 dogs entered, only one Malamute, 5 Samoyeds, 28 Siberians and the rest were Sled Dog class. Norsled, BASH, SFSR, SHRR and MUSH all did this even together so that all could have fun with their dogs. The people that show their dogs had a chance to practice with their puppies that are too young for a regular show and the rest of us just had fun showing our dogs.

The day started out with some great guys from Travis Air Base helping all of us unload and set up the rings, awnings, crates, tables, auctions etc....and then they stayed to put it all back in the cars and trucks. They were fantastic.

The first was a talk about urban carting. They had a scooter and a cart to show how they work. They had a huge audience and I know that at least two families went out and bought a scooter after hearing the talk.

The show part started around 10:15 but didn't end till almost 12:30. Here are pictures of a few winners....

Then we had the infamous raffle and silent auction. That was also great. The funds from the raffle are split among the groups participating and each group brought up to 3 silent auction items that they got all the money for.

We ended by 1:30 and were off to go home and COOL off. The day was great and we should be having another one next year.

# Umunhum Run and Camping

June 21,22

We have a MULE now for carting and bathroom runs. This will be the first camping trip of the summer. We have to pull out all the stuff we put away for the winter (BBQ, tables, etc)

We meet around 5 pm on Saturday night and if the weather allows, we run the dogs between 7 and 9 pm. If it is warm we eat dinner first and then run them. They run from 1 mile to 7 miles, again it is based on the weather... Dinner is a

group effort.

Some people then camp in tents but most campout in their cars or beside them.

In the morning we rise with the sun and run the dogs again. We try different dogs in different positions and come back to a GREAT group breakfast and off the hill by 11 am.... You still have time to do things before the end of the weekend.

Most people go up for the whole event. SOMETIMES (not all the time) we have a couple that only come up for the evening part. This can only happen if we have at least two cars going down at the same time and one must have a key.

**Time to meet-** 5 pm at the the CVS parking lot at Camden and Kooser (near the Taco Bell) or at 5:20 at the brown gate.

**RSVP** Randee at (408) 371-1841 or [bash@com-ctl.com](mailto:bash@com-ctl.com) by the WEDNESDAY before the weekend to find out what to bring and for how many.

**What you need to bring-** your own drinks, sleeping bag, food for your dog and food for dinner and or breakfast

Camping August 25,26

Camping September 15, 16

Again this is tentative.....

# Vaccine Clinic

Thank you to all that participated in the Clinic last month that Dr. Rusher did for us at her clinic. We received over \$300 for rescue.

Dr. Rusher has offered that all BASH members can come to the clinic any month that she is doing it and still receive BASH prices for vaccines. Rabies will now be \$6 and all REGULAR vaccines will be \$10. If you want a special vaccine that may cost a little more she will do those also.

You can also go to the clinic to purchase your flea, tick and heartworm products. She sells them at approximately the same price as PetMeds. The difference is that a large portion of the profit when she sells it, comes back to BASH for our rescue.

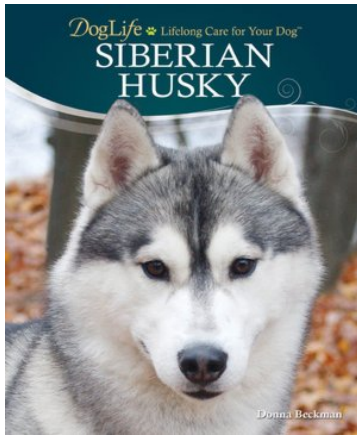

Dr. Rusher's clinic is the first Saturday of every month from 2 pm to 4 pm at Springdale Kennels - 520 Giuffrida Ave, San Jose, CA 95123.

When you fill out the paperwork, WRITE at the top you are with BASH. She will take care of the rest.

Thank you for all that came and thank you to all that will hopefully purchase product from the clinic to benefit BASH.

We will still have our BI-yearly clinics so that we can catch up with everyone and their dogs... Next one will be in November, again at my office.

This is a great book (with a CD) written by Donna Beckman (a Siberian Judge and owner breeder of Siberian Huskys)

These were donated to the club at a reduced rate and we are selling them for \$15.00 each. Proceeds go to rescue.

Contact Randee at [BASH@com-ctl.com](mailto:BASH@com-ctl.com) if you are interested in a copy.

Azul is a happy boy despite his unfortunate situation. He likes other dogs and plays great with other siberians. He was raised with small children, so he is use to being around them., He is not good with small dogs and other small animals. He is a quick learner, but is a challenging escape artist, so should only go to an experienced Husky home. We think he would do better in a home with at least one other dog in the family, and tall fences.

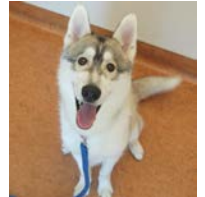

Bill Otto, 408-258-9806, [billotto1412@aol.com](mailto:billotto1412@aol.com)

Billy is in a BASH foster home. He is a sweet dog, rides well in the car. He is only about 45#'s which is small for a siberian and we guess about 15 months old. He walks well on a leash and has some basic obedience skills. He know sit and down. He was tested at the shelter for behavior and passed with flying colors (food and dog to dog introductions) He is housetrained. So far he is a great dog.

Hi! My name is Benito. I'm a young active guy looking for an equally active family to adopt. I am very social and enjoy meeting new humans and canines. I'd love to find a family that can provide me with regular mental and physical stimulation. I'd do best in a home where I can work for all the things I love in life. I'm still quite young, and will need help with working on my canine manners, doggie school would be a great place for us to start. Please ask to meet me today if you are looking for an active, smart, and outgoing canine companion!
