First Umunhum Camping trip of 2010

It was GREAT. The weather was nice but not too cool. The view of both Monterey and San Francisco was spectacular. It was so clear you could see forever. We had 18 dogs on Saturday night. They ran great. We ran about 7 miles. As usual Marie made a fantastic dinner in the Dutch oven. A number of people and 4 dogs had to go home that night which left 14 dogs and 5 people for camping. We got up as the sun came up (5:45) and ran the dogs by 7. It was again beautiful and clear. The dogs ran about 5 miles. They had a great time. After breakfast we sat around and enjoyed the view and each others company.

We had a great time and hope others will join us this summer.

K-9 Rattlesnake Avoidance Clinic

Teach your dog to avoid rattlesnakes
by sight, scent and sound!

All dogs – all breeds – welcome!

Rattlesnake Avoidance Training is a safe, humane, and proven method to teach your dog to avoid rattlesnakes. Rattlesnakes can be found almost anywhere and their bites are quite common, dangerous and usually very expensive to treat. Your dog is individually trained to respond with aversion to the scent, sound and sight of rattlesnakes to avoid being bitten by one. Training is conducted in a controlled environment ensuring the safety of your dog as well as the safety of the muzzled rattlesnakes used in the training.

I agree not to hold B. A. S. H, NorSled, NCAMA, SHRRCA, SFSR or the City of Danville liable for the loss or damage to any dog exhibited, whether the result of the accident or other causes and in addition, assumes no responsibility for any loss, damage or injury sustained by an exhibitor. It is distinctly understood that every dog at this Match is in the care and custody and control of the owner / handler during the entire time the dog is on the premises.

This fun match is for all, not just those that do confirmation. You don't have to know what to do either. This is a match for those that show to practice and the rest of us just to have fun with our dogs.

For those that have AKC registered Siberian Huskies, Alaskan Malamutes and Samoyeds, they will enter confirmation.

All of those that look purebred Siberian, Malamute or Samoyed that have been rescued or acquired without papers but have been altered, can enter Confirmation Spay/neuter for that breed.

All of those that have taken our wonderful mixes....enter Sled Dog- Sib, Sammy, Mal, and all those in between will enter Sled Dog.

There are classes for puppies, adults, veterans and champions. We will be happy to help you with which to enter..

There are two obedience classes – one is Husky Charm (basic strategies for training a northern breed and Husky Disobedience – class to talk about and learn techniques for “problems”

You can try Rally with your dog- no experience required. You can also try Urban carting with your dog or you can try it yourself.

You don't have to know what you are doing, nor does your dog. This is an event that is meant to be fun and expose all of us to having more fun.

Mark your calendars for this day...it is a great event and fun for the whole family especially the dogs and kids.

Traveling North on I-680, exit at Stone Valley East and turn right at the stop sign. The park will be on your right hand side about 1.5 miles down the road.

Traveling South on I-680, take the Stone Valley Road EAST exit. The park will be on your right hand side about 1.5 miles down the road.

Oak Hill Park is located next to Monte Vista High School. You may park in the school parking lot.

We hope to see many at this fun day.

Come one, come all, for the dogs, dogs, dogs! There will be show dogs, rescue dogs, puppies, veteran dogs and all sorts of sled dogs – **Malamutes, Huskies, Samoyeds**, and **mixes** of these breeds.

A fun match is just that – an opportunity to have fun with your dog, with other people who love dogs and enjoy some great outdoor fun. You don't have to know what you are doing either! There will be judging like you see on Animal Planet's breed competitions. If you have never tried this but want to, this is the place to give it a whirl. The Judge or ring steward will help you with what you need to do.

AKC registered dogs will be judged in formal **conformation** classes, all the other dogs will be in the spay/neuter confirmation of that breed, or the more general "Sled Dog" class. Classes will be held for **puppies, adults** and **veterans**.

If your dog likes to pull or you want to see how they do there will dog carts there that your dog might be able to try.

There will be a demonstration of Rally and you can participate and see how your dog likes it. You go around a planned trail and there will be instructions about what you need to do with your dog (sit, go around cones, jump a little pole etc) it is great fun.

There are two obedience classes. – one for general tips on training a northern breed dog (they are unique) and one for people that have been training and have come up against some problems that they want a little more help on.

There is a great raffle, silent auction (items benefit the rescue that brought them), harnesses and collars for sale, a special **FUN MATCH** shirt and more.

Umunhum Run and Camping

June 26th, 27th

Tentative Schedule for the Summer

July 17	Umunhum Run	Aug 21	Umunhum Run
Sept 25	Umunhum Run	Oct 23	Umunhum Run
Nov 20	Umunhum Run		

This is TENTATIVE...can change from weather or schedules that cause us to change the date. They are all nearest the full moon that would could get. June's is a lunar eclipse.

We meet around 5 pm on Saturday night and if the weather allows, we run the dogs between 7 and 9 pm. If it is warm we eat dinner first and then run them. They run from 1 mile to 7 miles, again it is based on the weather... Dinner is a group effort.

Some people then camp in tents but most campout in their cars or beside them.

In the morning we rise with the sun and run the dogs again. We try different dogs in different positions and come back to a GREAT group breakfast and off the hill by 11 am.... You still have time to do things before the end of the weekend.

Most people go up for the whole event. SOMETIMES (not all the time) we have a couple that only come up for the evening part. This can only happen if we have at least two cars going down at the same time.

Time to meet- 5 pm at the lowest gate (there are three locked gates so we have to stay together) (an hour earlier)

RSVP Randee at (408) 371-1841 or bash@com-ctl.com by the WEDNESDAY before the weekend to find out what to bring and for how many.

What you need to bring- your own drinks, sleeping bag, food for your dog and food for the group.

Call for directions. It takes approximately 30 minutes from Highway 85/Almaden Expressway to the first gate. People can also make arrangements to meet at Randee's office and follow her up.

It is great fun and very relaxing. The views of Santa Cruz, Monterey Bay and Santa Clara County are wonderful both as the sun rises and the sun sets. Come and join us.

Bill Otto 408-258-9806 billotto1412@aol.com

Cheyuo was surrender to the shelter because of lack of proper care. He is thin but will gain weight now he is out of the shelter. He gets along great with other dogs, loves to play. He is good walking on a leash and housetrained. As we know more about him we will update the list.

Tim Seaman – 40839809076 - tim@timothystreet.com

River Anne was surrendered to HSSV because her family lost their home. HSSV was out of room and they called us to take her. She has been raised with kids and a cat. She is very sweet, playful with other dogs, good with kids and overall a nice dog. Call my foster dad for more info on me.

Arturo Ceron And Heron Ho – 510-996-8578 jiayung.ho@gmail.com

Fen Fen was surrendered by her owner to San Jose Shelter because the family was no longer able to care for her when the husband became to ill to work. She is house trained, crate trained, good in the car, great with kids (was raised with two young ones) good with other dogs and knows basic obedience skills. She is a little shy at first but warms up with time to everyone. She does tricks (sit, down, crawl, sit pretty, play dead, roll over, pray) She loves to just lay near where you are at when in the house or at work with me. She will come up to her foster mom every hour or so to say hi, get a pat and go back to lay down. She wants to play one on one with a dog but when 2-3 get going it overwhelms her. She would like a quieter home than her foster home. Call to learn more about her, she is a GREAT dog. She is overweight and needs to loose a few pounds.

Macio Simpson (831) 214-9644 mrevoli@yahoo.com

We just got Bolo from the San Jose Shelter. He is probably a shepherd/siberian cross. He is between 60 and 65#'s. He rides well in the car. Is very friendly. Plays well with other dogs. He walks ok on a leash but can pull. He knows sit, down and a quick drop (not sure of the command but he slams to a down). Call his foster dad for more information.

Randee McQueen (408)371-1841 BASHRR@aol.com

We know very little about this girl except that she didn't go to adoptions because she played with the plastic hand they test them with. She was not food agressive and was good with another dog when introduced. They say she is very sweet. We have rescued her from the Salinas Shelter. No other info was given on her. Contact us for more info and hopefully a better picture.
