## SnoBASH 2

The weather was cold the first night but after that it warmed up. The dogs would have been happier with it snowing but they still had a GREAT time. It was again a small group that attended but those that did had a fantastic time. As every year, we would like to thank Bear Valley Cross Country for putting in a trail for us before all of the snow bridges had disappeared. They put in a great 1 mile trail with two loops that allows us to practice command turns and to just have fun.

Besides the group of 14 staying in the lodge, two families came up to join us with their Siberians. We mushed for 20 – 30 minutes and then we gave the dogs a long rest and then went out again. Some of the dogs went 12-14 times on the mile loop during the entire day. Some of our older ones did 2-3....but they had fun. Members got to try different dogs and were able to try their dogs in different positions. A number were able to drive a sled which they hadn't before. Kids also had a chance.

Last year I was interviewed for a book about having fun with your dogs. The author was writing about sled races and BASH was able to show her we have fun sledding without races. She sent a professional photographer to take pictures for the book. He was fantastic. His website is [Maxdogphotos.com](http://Maxdogphotos.com)

Hope next year we have better snow and more people that want to come.

**Come one, come all, for the dogs, dogs, dogs!** There will be show dogs, rescue dogs, puppies, veteran dogs and all sorts of sled dogs – **Malamutes, Huskies, Samoyeds, and mixes** of these breeds.

A fun match is just that – an opportunity to have fun with your dog, with other people who love dogs and enjoy some great outdoor fun. You don't have to know what you are doing either! There will be judging like you see on Animal Planet's breed competitions. If you have never tried this but want to, this is the place to give it a whirl.

AKC registered dogs will be judged in formal **conformation** classes, all the other dogs will be in the spay/neuter confirmation of that breed, or the more general "Sled Dog" class. Classes will be held for **puppies, adults and veterans**.

If your dog likes to pull, you may want to let them try a **weight pull** – many sled dogs enjoy pulling. We may also have dog carts there that your dog might be able to try. Also see "Canine Good Citizen" (**CGC**): a certification program that is designed to reward dogs who have good manners at home and in the community.

There will also be **trainer presentations, handling classes, a parade of rescues**, and a chance to talk with other sled dog owners - sharing tales (or tails), raffles, auctions and other fun activities. Come have fun!

Traveling North on I-680 you would need to exit at Stone Valley East and turn right at the stop sign. The park will be on your right hand side about 1.5 miles down the road.

Traveling South on I-680 you would need to take the Stone Valley Road EAST exit. The park will be on your right hand side about 1.5 miles down the road.

It is located next to Monte Vista High School and you may park in the school parking lot.

## Birthday Bones

"These cookies are great for your favorite furry friend. Every dog I have given these to loves them. It is nice to use doggie type cookie cutters, like bones or fire hydrants."

- \* 2 cups whole wheat flour
- \* 1 tablespoon baking powder
- \* 1 cup unsalted natural peanut butter
- \* 1 cup skim milk

## DIRECTIONS

1. Preheat the oven to 375 degrees F (190 degrees C). Grease cookie sheets. Stir together the flour and baking powder; set aside.
2. In a medium bowl, mix together the peanut butter and milk. Stir in the flour mixture until well blended. Turn out dough onto a lightly floured surface and knead until smooth. Roll out to 1/4 inch thickness and cut into shapes using cookie cutters. Place 2 inches apart onto the prepared cookie sheets.
3. Bake for 20 minutes in the preheated oven, or until lightly brown. Remove from cookie sheets to cool on wire racks.

# Umunhum Run and Camping

**Tentative Schedule-** They can always change because of heat, fire, dog shows and other events.

May 9, 10

June 6,7

July 4,5

August 8,9

September 12,13

October 10,11

November 7,8

Through out the summer we cart with our dogs by moonlight. It is a fun time with our dogs getting exercise, learning to work with a team and as a team.

We meet around 5 pm on Saturday night and if the weather allows, we run the dogs between 7 and 9 pm. If it is warm we eat dinner first and then run them. They run from 1 mile to 7 miles, again it is based on the weather...the warmer it is the shorter we run. In the past 5 years of doing this event we have been unable to run 3 times. Dinner is a group effort.

Some people then camp in tents but most campout in their cars or beside them.

In the morning we rise with the sun and run the dogs again. We try different dogs in different positions and come back to a GREAT group breakfast and off the hill by 11 am.... You still have time to do things before the end of the weekend.

Most people go up for the whole event. SOMETIMES (not all the time) we have a couple that only come up for the evening part. This can only happen if we have at least two cars going down at the same time.

**Time to meet- 5 pm at the lowest gate (there are three locked gates so we have to stay together)**

**RSVP Randee at (408) 371-1841 or [bashrr@aol.com](mailto:bashrr@aol.com) by the WEDNESDAY before the weekend to find out what to bring and for how many.**

**What you need to bring- your own drinks, sleeping bag, food for your dog and food for the group.**

Call for directions. It takes approximately 30 minutes from Highway 85/Almaden Expressway to the first gate. People can also make arrangements to meet at Randee's office and follow her up.

It is great fun and very relaxing. The views of Santa Cruz, Monterey Bay and Santa Clara County are wonderful both as the sun rises and the sun sets. Come and join us.

Dutch is a great young siberian that wants to play. he loves to play with other dogs. He walks ok on a leash. He is housetrained and crate trained. He probably won't be good with cats. He lives with one at his foster home but they are kept away from the other dogs also. He is really good.

Beth Chamberlain 408-629-0448 [b.d.c@comcast.net](mailto:b.d.c@comcast.net)

Patty LaCava, 415-722-5727 [pattylacava@yahoo.com](mailto:pattylacava@yahoo.com)

Rhodes( Timber) is the most amazing dog in the world. He is very mellow and calm when he is with his owner. He LOVES to play with other dogs and gets along with all dogs. Timber needs a yard with an adequate fence. He loves to be with other dogs for companion. When he's with people he's happy to just relax in a corner and spend the the day quietly enjoying his peoples company. He is living in San Francisco right now. He is left in the house with other dogs. There is no yard, so they are walked 3-5 times a day. When left in the house he is good when left with a food filled kong. He capable of being off leash. He would probably do best in a home without a yard and a person who wants to exercise with him. He was adopted from BASH 18 months ago. He came to BASH with a broken foot.

Martin is a rescue from San Francisco. He is very small for a siberian male. He had a spiral fracture of his hip when he was 5 months old. We repaired iin Sept 08. He is a very spunky with alot of energy. He loves to talk. He is housetrained and crate trained. He needs someone who will be consistent and firm with him or he will take advantage of the situation. He will do well on his own or with another larger dog. No cats, no kids under 10 and no small dogs or other small animals in the home. He needs training. He knows sit. He loves to talk and sits by me at work and at home. He is only 25#'s and will not get any bigger. He need an experience siberian home. He is small but has the attitude of a large dog. He plays GREAT with dogs larger than he is....
