Watch the BASH email List.... We may have a day that we run the dogs on Umunhum... They are starting more construction on the hill and it is hard to plan dates when they may be running construction trucks...so as I know and think there may be a Saturday or Sunday I will let people know through the list.

Fall Furry Flurry-

Thanks to all the BASH members that came to help, participate and just have fun with their dogs. Over all it was smaller than past FFF but we had a great time with the games we played (bobbing for wieners, spoon relay, hide the treat and Simon says.....) We had great photos taken. Patty LaCava supplied costumes to volunteers and members that wanted to wear them. They were GREAT costumes. The STAR WARS 501 group came out in full costume and entertained many. As usual the raffle and silent auction were a big thing also.

Ricky Neutered Male, 4 years old, Housetrained, Crate Trained, Lead Trained, rides well in car, good with Children, good with Large Dogs, has Rabies vaccinations, has DHLPP vaccinations, on Heartworm preventative, microchipped. Is learning sit and down. Beautiful face, expressive blue eyes, a classic black and white coat with some soft freckling on his snout, he is one very handsome boy with a gentle spirit. Long legged and slim, quick and agile, he's putting on a little weight, but needs a few more pounds. Ricky has the potential to be a wonderful Siberian companion. Sensitive, sweet, responsive and attentive to his handler, he seems to be most comfortable and trusting with women, soft spoken men. Loves attention, ear tousling, patting, training with treats, but quick to dart away if he detects conflict or correction coming. Gentle mouth, quiet. Some hesitation coming through doors or clipping up with to a leash. Once on the leash, he is light and easier handle than larger sibs. Ricky was an owner surrender to the San Jose Shelter. They had too many dogs at their home. We know he lived with 4 other Siberians. Ricky is not a digger. He is young, very curious, quick to slip out to explore the world, and can be mischievous, but he has done well in our house and small fenced yard with long daily walks. A settled environment, steady companionship, interactive time with people or dogs, and a regular diet will be good for him.

Tarrock is a beautiful two years old Siberian Husky. His name means Shadow in Yupik. He has some basic obedience, and does well with positive reinforcement; so he would do well with additional training. He wants to please and enjoys walks, car rides, playing and cuddling with the family. He would be very happy if he had another active medium to large dog as a companion. He does not do so well with small animals. He will play fetch and return the ball. He is fine in the yard by himself as long as there are tall fences in good repair, but prefers to spend time with the family.

Poppy is a 1.5 years old White and black petite dog with ice blue eyes and loves to sing. She is extremely affectionate and thinks she's a lap dog. She gets along with my senior husky and younger husky and knows when to show respect and share toys. Being young, she will need training and consistency. Since she is very intelligent and inquisitive she will excel in learning. She is just such a darling, sweet, loving, funny and smart that is looking for her forever home.
