Here about what we can do with our Siberians (carting, skijoring, sledding and just having fun....) Have lunch with us (bring your own or order through us and we get it from Togo's) and then have ice cream.

Also Randy Fishel will be there with his Fall BackDrop and take wonderful pictures of you and your pet.

Hope to see many of you there...

Umunhum Run and Camping

September 2,3 (we changed the date) and it is Sunday/Monday

We have a MULE for carting and bathroom runs. This will be the last camping trip of the summer. We will try to plan a couple more for the fall, you will have to watch for the dates. We meet around 5 pm on Sunday night and if the weather allows, we run the dogs between 7 and 9 pm. If it is warm we eat dinner first and

then run them. They run from 1 mile to 7 miles, again it is based on the weather... Dinner is a group effort.

Some people then camp in tents but most campout in their cars or beside them.

In the morning we rise with the sun and run the dogs again. We try different dogs in different positions and come back to a GREAT group breakfast and off the hill by 11 am.... You still have time to do things before the end of the weekend.

Most people go up for the whole event. SOMETIMES (not all the time) we have a couple that only come up for the evening part. This can only happen if we have at least two cars going down at the same time and one must have a key.

Time to meet- 5 pm at the the CVS parking lot at Camden and Kooser (near the Taco Bell) or at 5:20 at the brown gate.

RSVP Randee at (408) 371-1841 or bash@com-ctl.com by the WEDNESDAY before the weekend to find out what to bring and for how many.

What you need to bring- your own drinks, sleeping bag, food for your dog and food for dinner and or breakfast

The Cause

Saving lives of "Northern Breeds"...since our inception, we have helped find homes for almost _____ dogs. 251 dogs were adopted out by NorSled in 2008 alone. MORE STATS??? Most come from shelters. Realize, many of the local shelters are "kill" shelters; they euthanize the dogs that are not adopted or recovered quickly. We try to work with the shelters as much as possible, even putting dogs up on our site while still in the shelter. NorSled will pull dogs from shelters with treatable medical conditions. We nurse them and get them the veterinary care they need while finding them homes. In recent times we have treated dogs for conditions ranging from torn knee ligaments, heartworm and hookworm, to broken bones and gun shot wounds. The costs involved: medical care and kenneling fees add up to lots of money.

About Norsled

Northern California Sled Dog Rescue (NorSled) is an all-volunteer non-profit group dedicated to rescuing, rehabilitating and finding new homes for unwanted, abused and abandoned Siberian Huskies, Alaskan Malamutes, Samoyeds, and Northern-breed mixes in many Northern California counties including: Alameda, Butte, Contra Costa, Glenn, Humboldt, Lake, Marin, Mendocino, Napa, Sacramento, Solano, Sonoma, Sutter, Yolo, and Yuba.

NorSled hosts adoption fairs in at least 3 counties and attend events in even more. We have participated with ARF, Oakland SPCA, SCARF and others in adoption events and awareness.

NorSled conducts programs at local schools educating students about dogs, sled dogs in particular and the Iditarod. Our members help with adoption fairs, go to shelters, work on the website, do fundraising, walk dogs that are kenneled, write and create materials to educate the public, answer phone calls and emails, educate potential adopters, and do many other services that make it possible for us to find homes for these wonderful dogs. Our members are the lifeblood of NorSled, and are the reason we can find homes for the dogs.

Rescue August 2012

Serving the Bay Area & Northern California

Heron Ho 510-921-6424 snowlets8@yahoo.com

Levi is a 1 year old 45lb male Husky mix who was found as a stray on Mt Hamilton. He is smart, sweet, friendly, quiet and gentle but timid and shy (moves away when approached). Soft mouth, eats treats from hand but ready to flee if movement toward him. Yet he loves to be around people and other dogs. Levi likes to be in close proximity -- always sits, lays & sleeps close by and follows you around the yard and house. We don't believe however that he would do well in a household with young (less than 12 yo) children. Quick sudden movements frighten him. Levi requires handlers with a calm and patient demeanor.
