Happy  
Valentines  
Day

This note makes my day with all the foster dogs I have had over the years. It is always great hearing how much a Siberian adopted means to the owners.

Dear BASH members,

1/5/25

I wanted to send this little thank you and check in as Nova (formerly known as Kimmie) and I just celebrated 4 years together on 11/14. She has truly been the light of my life and a literal lifesaver while working as a hospital worker during the pandemic. Thank you for entrusting this sweet soul to me!

A few things Nova loves:

- Water! (Rivers, lakes, puddles, even paddleboarding → she does great!)
- Small squeaky toys
- Getting into trash!!
- Her best friend, Pearl
- Snow!!
- Hiking / exploring
- Laundry dryer balls
- Running as fast as possible
- Getting pets from strangers

Anyway, I am so appreciative of getting to do life with this girl and want you all to know all is well. Thank you for the love, work you do! Alicia + Nova

### Ingredients

- 2 free range eggs
- 1 and 1/2 cups almond flour
- 1 tablespoon coconut oil
- 3-4 tablespoons of coconut flour
- 1/2 cup dried cranberries

### INSTRUCTIONS

- Preheat oven to 165°C.
- Beat 2 eggs and set aside.
- Combine your almond flour, coconut oil and dried cranberries together in a bowl.
- Once combined, pour in the eggs and mix together with your hands. The dough will be very wet.
- Begin adding in your coconut flour one TBSP at a time, mixing in each one after added. You want to achieve a consistency that is easy to roll and not super sticky. This will require between 3-4 TBSP depending on your brand of flour and size of your eggs. The dough should easily form a ball.
- Rollout your dough and cut out the treats using bite-sized cookie cutters, [like these hearts](#) which are perfect for Valentine's Day (*Tip: Sprinkle a little coconut flour on top of your dough to keep it from sticking to the cookie cutters!*)
- Place your treats on a cookie sheet lined with parchment paper. Bake in the oven for 15-18 minutes or until crisp.
- Makes approx. 20 treats (dependant on size of cutter).

Let cool before giving to your pooch and enjoy!

Just a reminder that Sea Cliff Beach and Forest of Nisene Marks are minutes away from each other in Aptos. \$10 gets you into both parks on the same day! Walk the beach in the morning and then lunch and hike in the redwoods for the afternoon! Both dog friendly (ask ranger for dog trails at Nisene).— at **Sea Cliff Beach**.

## Be safe with your pet around valentine gifts...

### Candy

Candy, particularly the sugar-free kind, can contain xylitol. This sugar substitute is also found in gum, mints, some types of [peanut butter](#), baked goods, and many surprising [household products](#). [Xylitol is toxic for dogs](#) and can cause severe hypoglycemia (lower than normal blood sugar levels) or even liver failure if they eat it. Symptoms such as weakness, vomiting, and seizures can occur as soon as 30 minutes after your dog ingests this dangerous substance, although it can take more than 12 hours depending on the speed of absorption.

### Flowers and Plants

Flowers are another traditional Valentine's gift and decoration. But [not all plants are safe for your dog](#). Many common bouquet varieties, like lilies, chrysanthemums, or tulips, can make your dog ill if they eat them, irritating their mouth or intestines and causing vomiting, drooling, and diarrhea. Flowers such as roses can also have thorns that can get stuck in your dog's paw or nose if they decide to investigate too closely.

# February Rescue

Heron Ho [heronbash@gmail.com](mailto:heronbash@gmail.com)

Sunny is a Male Siberian Husky and is also neutered. Sunny is such a loving, gentle giant who is looking for his forever home. Sunny holds many amazing qualities such as: follows commands( sit, lie down, give me your paw, let's go, house trained, and enjoys car rides and going shopping). The day my son brought Sunny home he took him to Target to buy some food and yummy treats. Everyone was amazed about how handsome he is and well behaved. Many people and children stopped to pet him and he loved it. They also met someone who makes house treats for dogs and exchanged instagrams. Sunny loves homemade dog treats! Sunny also loves to spend quality time with us while watching TV. He lays on the couch like a big o baby. He also loves to sleep with my son on his bed. Sunny loves cuddles, kisses, walks, and is a great jogger. He loves the outdoors. Just make sure to have a well enough secure fence for me!! Per Sunny, I also like to have a good staredown with my foster families Flamepoint Siamese Cat! I don't bark at him because I don't want him to be afraid of me nor do I chase him or any cat that I come across with on my walks.
