# Who likes the off-leash loop at Stulsaft Park in Redwood City?

I finally checked it out last night, nice and empty between 7-8pm on a Monday. It's a small park, but hilly, so possible to get a little workout. The loop is around two miles with half being off-leash. Wide shaded trail, few fox-tails = perfect for quick summer hikes. <https://www.redwoodcity.org/departments/parks-recreation-and-community-services/parks/dog-parks/stulsaft-park-off-leash-area>

# Oat and Apple Dog Pretzels

Prep Time 20 mins Cook Time 30 mins Servings 15

## INGREDIENTS

1x 2x 3x

- 1 free range egg
- 1 cup unsweetened applesauce
- 2 cups Bob's Red Mill Gluten Free Oat Flour
- 3/4 cup Bob's Red Mill Gluten Free Old Fashioned Rolled Oats

## INSTRUCTIONS

1. Preheat oven to 350°F. Line a baking sheet with parchment paper and set aside.
2. Using a hand whisk, beat the egg and set it aside.
3. Combine the applesauce, oat flour, and rolled oats in a large bowl. Pour all but 1 tablespoon of the egg over the mixture and set aside the remaining 1 tablespoon of egg.
4. Using a wooden spoon, stir the mixture until a dough forms. The dough should be tacky but not overly sticky. Add a bit more or less flour if necessary.
5. Take a 2-tablespoon-sized piece of dough (approximate) and roll it into a tube. It should be about 10 inches long and about the width of a pencil.
6. Take each tube and make into a U shape, then twist the ends together and fold back to the top. This makes the pretzel shape. Pinch the ends in to make sure they're secure.
7. Place the pretzels onto the baking tray. Brush the top of each pretzel with the remaining egg.
8. Bake for approximately 25-30 minutes, until they're slightly browned and become crispy. The pretzels should be pretty hard, just like pups love them!
9. Remove from the oven and allow to cool before serving.
10. Store in an airtight container for up to 2 weeks.

# Rescue for June

Heron Ho [heronbash@gmail.com](mailto:heronbash@gmail.com)

Sunny is a Male Siberian Husky and is also neutered. Sunny is such a loving, gentle giant who is looking for his forever home. Sunny holds many amazing qualities such as: follows commands( sit, lie down, give me your paw, let's go, house trained, and enjoys car rides and going shopping). The day my son brought Sunny home he took him to Target to buy some food and yummy treats. Everyone was amazed about how handsome he is and well behaved. Many people and children stopped to pet him and he loved it. They also met someone who makes house treats for dogs and exchanged instagrams. Sunny loves homemade dog treats! Sunny also love s to spend quality time with us while watching TV. He lays on the couch like a big o baby. He also loves to sleep with my son on his bed. Sunny loves cuddles, kisses, walks, and is a great jogger. He loves the outdoors. Just make sure to have a well enough secure fence for me!! Per Sunny, I also like to have a good staredown with my foster families Flamepoint Siamese Cat! I don't bark at him because I don't want him to be afraid of me nor do I chase him or any cat that I come across with on my walks.

He is in a foster home with children and other huskies and simply loves to be with e veryone. He is learning crate training. We are learning more about him and his ideal perfect forever home.
