One gift per family for "stealing" gift exchange. Value up to $30. You are welcome to bring one per family member if you enjoy the "stealing". Kids can participate if they are old enough to handle the stealing of gifts. There is alcohol in some of the gifts so the "adult" must be responsible for that Gift if someone under 21 got it. Stealing is fun and the more unique the gift, the more it is stolen. Some great items of the years have been any things with a husky on it (underwear, hats, gloves, shoes) dog items that are unique, signs, door mats etc… you don't have to spend the $30…be inventive. Have fun finding the items. Many do not drink alcohol…

Ace is three years old he's very friendly, very good with other dogs, playful with everyone, good on leash, crate trained, and house trained. He should be with an experienced owner, preferably with another dog to play with on downtime and with no young children.
Ace does well in the yard when you're away from home, and enjoys being with the family, playing and going for car rides. Ace should have no toys or high-value treats when he first comes to his new home because he has decided those things are only his, and he needs to learn that he will get them back. But he is a good boy. He is a neutered Male, age unknown, Housetrained, Crate Trained, Lead Trained, good with Large Dogs, good with Small Dogs, has Rabies vaccinations, has DHLPP vaccinations, microchipped.
