"Who wants to Wine and Woo?"

We thought it would be fun to meet at a local winery for wine tasting with our dogs.

I've spoken to Guglielmo Winery in Morgan Hill which is on E. Main Ave. off of 101, across from Live Oak HS. They can set aside a spot for us on their patio for folks and their dogs (probably 8 dogs maximum) where we can do wine tasting and have a picnic. They encourage guests to bring a picnic and enjoy the beautiful surroundings.

We will have a sign-up sheet prior to the event to figure out what snacks people want to bring to share with the group.

Children are welcome to attend with their parents. Dogs must be on leash.

They can accommodate us on Sunday October 27th starting at 11:30. Most people stay about 1.5 hours leaving time to explore the fantastic gift shop on site.

Please let Nannette Morgan know if you can attend and how many adults will be coming with you.

Cost of wine tasting is \$20/person. They do add on a 20% tip on top of the tasting for groups.

Please let Nannette know by Friday, September 27th at the latest so that she can book our group. Earlier is better ;-)

Nannette can be reached at pipernanoo@aol.com or you can text her at 408-806-2021

FUN RUNS SNDD.org. Sept and Nov (Dates TBD)

Go to their website for dates.... sndd.org

Our Fun Run Events are informal low key gatherings.

They are free and unstaged.

We all usually just meet at the site of each event and hook up our teams to practice passing other teams and help beginners out with friendly advice.

We generally try to have 1-3 of these events each fall for experience in a race type environment to prepare for the upcoming race season.

These are great opportunities especially for young dogs to learn social skills being around other people and lots of other dogs.

Visit our [EVENTS](#) Calendar for upcoming Fun Runs.

Rescue Report Randee McQueen-Overall we are not adopting out as many dogs as BASH rescue due to availability of foster families. We are helping to sponsor adoption through other avenues to still help in finding homes for dogs. Heron Ho our rescue coordinator who moved to Texas is still active in networking to help place dogs. We have sponsored some placement of dogs in Texas as well as California. Posting on SHRRCA and Petfinder has helped in connecting adopters with dog.
